- The auction will be taking place as an online auction exclusively on the Dorotheum website (www.dorotheum-fahrzeuge.com).
- You have to register once in order to place a bid. Please carry out this registration as soon as possible, as it takes time to activate your account.
- Payment is possible either by bank transfer or cash at the Dorotheum Traun auction house. Payment is not possible directly upon collection.
- When collecting your items, you will need the handover ticket, which you will receive after the Dorotheum has been paid in full. You may only collect your items in Wels after making an appointment in advance by email (wolfgang.doplbaur@asfinag.at). Your collection time will be confirmed to you by email. **It is not possible to collect your items without an appointment** as only a limited number of people may be on the premises at once due to the coronavirus protection measures. You can request an appointment Monday to Thursday between 7:00 am and 3:00 pm.
- Collection times must be agreed by email by 27/10/2020 at the latest.
- When making an appointment by email, the collection voucher must be enclosed and the person commissioned to collect the goods must be named (forwarding agent or at the very least the ID of the person collecting the items).
- If an appointment is not made by email for the items to be collected, then any legal claim to the goods becomes void in case of a missing collection voucher or if you have failed to name the person collecting the items, as well as in the case of non-compliance with the hygiene regulations. In these cases, people collecting the items will be escorted off the premises.
- Buyers undertake to inform the persons collecting the items of the stated specifications.

Please follow these guidelines so that we can stay safe together.
